"Strategic Solutions. Reliable Performance. Government & Commercial Excellence."

AI-powered generated website instructions:

Build a professional corporate website for RM Group Strategies LLC, a Nevada-based parent company specializing in government contracting, transportation, fleet services, construction, remodeling, logistics, equipment rental, and business consulting. Use a black-and-gold luxury corporate theme. Create pages for Home, About, Government Contracting, Capability Statement, RM Fleet, RM Remodeling, RM Tool & Equipment, RM Transports, RM Nevada Series LLC, and Contact. Include sections for UEI registration, SAM.gov readiness, CAGE codes, NAICS codes, subcontracting opportunities, and federal contracting capabilities. Design should resemble a Fortune 500 government contractor and be optimized for lead generation and procurement opportunities.
